

The background of the entire image is a dark, monochromatic marbled pattern. It features intricate, swirling veins of light gray and white against a dark charcoal or black base, creating a complex, organic texture reminiscent of natural stone or high-quality paper.

Infinito

Stone Collection

Special attention has been given to create this stone-effect range with six natural shades in four different finishes: polished, honed, natural and structured. Its large range of sizes and finishes that are perfect for either indoor or out, poolside or bath, make this range's design possibilities truly infinite. Much loved by our specifiers, Infinito is perfect for anyone looking for the ultimate combination of practicality and beauty.
