Magnifica

Stone Collection

With its layered tones and delicate hues, Magnifica is a stylish addition to our Stone Collection. Comprising of four complementary cold tones, Magnifica can be used within a monochrome theme or softened with vivid accents and organic accessories. Natural and Polished surfaces can be combined with stunning effect for contemporary living spaces and with an R10 slip rating, Magnifica can be specified for residential or commercial schemes where the surface area spans inside and out. Available in three large formats, each just 6 mm in thickness, Magnifica is perfect for floor and wall installation, external cladding, as well as a host of furniture and surface applications.
